DEEPLY DIVINE CHOCOLATES

The Art of Gifting Chocolate

*The secret ingredient
is always chocolate*

ABOUT US

**Chokola is a Mayan word that means
"To drink chocolate together"**

The commitment of sharing pure indulgent chocolate with the world is what inspired Vasudha Munjal Dinodia, a third generation entrepreneur from the illustrious Hero Group to create artistry with chocolate. Struggling to find quality chocolate in India she decided to bring the best quality ingredients from all over the globe and produce world class chocolates in India.

What started as a single location store in Vasant Vihar, New Delhi in 2005, is today a well-recognized global brand in the chocolate world with its presence not only across major Indian cities through its own boutique stores but throughout the world through retail partners. The brand is now expanding its footprint across Southeast Asia, Europe and the US through various channel partners.
